**\* Not required for students that took U.S. AP History.**

**\*\* Required for students that took U.S. AP History**

**\*\*\* Courses 207 & 208 must be scheduled together.**

**\*\*\*\* Courses 215 & 216 must be scheduled together.**

The total of your class credits should equal 7.0

The total of credits for Vo-Tech students equals 6.5

Students should carefully select their courses since changing schedules after classes begin will generally not be permitted. Students will be selecting their courses for the entire year and schedule changes will not be permitted for either first or second semester after school begins except under extenuating circumstances. If this form is not signed and return, the school will assign classes at their discretion.
